

## Declaration of Interest form

### Confidentiality Statement, Conflict of Interest Declaration and Granting of Copyright for the United Nations Environment Programme (UNEP) Emissions Gap Report 2025

#### Confidentiality Statement

The production of the Emissions Gap Report 2025 requires external experts to collaborate while developing the material in advance of the publication's launch. All material, including but not limited to, written drafts, key messages, graphics, illustrations, design, text boxes and research supporting the publication shall remain confidential until after the formal UNEP-led launch.

☒ I hereby agree to keep all materials related to the development of the Emissions Gap Report 2025 confidential until the official launch of the publication.

#### Conflict of Interest Declaration

The production of the Emissions Gap Report 2025 requires the assistance of external experts who may have potential conflicts of interest related to their primary area of work and expertise. To ensure the highest integrity, transparency, and public confidence in the production of the assessment, UNEP requires that external experts contributing to the production of the content disclose any information on circumstances that may affect, or may reasonably be perceived to affect, the expert's objectivity and independence. Please note that a high level of scientific and educational or expertise is by nature based on prior experience and that therefore having expertise and interest in a particular subject matter does not necessarily mean this will lead to bias or a conflict of interest. The following declaration will assist UNEP in addressing any potential or perceived conflicts of interest.

☒ I have no real or perceived financial or personal interest, direct or indirect, in any matter that raises or may raise conflict with my contribution to the Emissions Gap Report 2025  
☐ I have real or perceived financial or personal interest, direct or indirect, in certain matters that may raise conflict with my contribution to the Emissions Gap Report 2025. The particulars of such matter(s) are stated below:

---

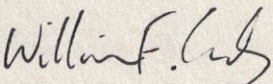

I also acknowledge that I shall make another declaration to state any change in any matter contained in this declaration within one month after the change occurs and shall provide further information on the particulars contained in this declaration if so, required by UNEP.

#### Granting of Copyright

UNEP must also ensure that it produces original works that are free of any copyright claims. In contributing to the Emissions Gap Report 2025, UNEP expects that text, research, images and graphics are free from any potential dispute related to copyright. We request that you confirm the following statement to address this issue.

☒ I hereby grant and assign UNEP exclusive, sole, and permanent right to reproduce, publish and distribute any content or parts thereof of the Emissions Gap Report 2025 that I contribute to.

Note: please ensure all the appropriate boxes above are checked before signing.
